The English attack on Wales and Turko-Italian attack on Liverpool fail because under the rules no units may change places under any circumstances. English F Norway is dislodged; ENGLAND RETREATS FLEET NORWAY TO THE SKAGGERAK. I won't remark about A Vienna's behavior.  
FALL, 1907 MOVE ORDERS ARE DUE IN 6 P.M. (EDT) SAT. MAY 21, 1966.

One item of propaganda -- everybody's taken pity on me in B:

DRANG NACH ~~OST~~ westen!

Reinsel did not submit a move but authorized replacement McCallum did; effective now German government reverts to Charles Reinsel.

For the first time in Postal I lost a move -- Frank Clark's Austria. I called Frank long-distance Saturday night & we got the move down pat. This brings up a point -- I WOULD LIKE ALL PLAYERS IN ALL GAMES TO SEND ME THEIR TELEPHONE NUMBERS (INCLUDING AREA CODE). It will make things easier. If you'd rather your number not be published in BARAD-DUR, please so note.

Aside from mistakes, summer retreat moves are normally made by telephone if it is only 1 retreat. In the case of W. Coast players, this would be around 7 P.M. Pacific time Saturday. If you're not home, we have a summer move.

#### PROPAGANDA:

Admiral Salmon P. Hake plunged into the Mid Atlantic with a shout  
of "Banzai!" Supporting him, Admiral Yamamoto remarked, "Good show, eh  
wot?"

Moscow (Tass): The Supreme Soviet today passed a resolution do-  
nouncing "Jackal" Chalker, Fuehrer of Switzerland, for his part in  
stirring up the warlike passions of the European family of nations.  
The resolution went on to point out how of the four nations bordering  
Switzerland, two had been wiped out and the other two were both  
weakened and bound to fall soon. The resolution then called upon other  
nations not to fight like lions while a jackal took over the field.

Berne, May 22 (Reuters): The Swiss President today denounced the  
Supreme Soviet for "Vile slanders on the Swiss people." He stated that,  
if the libels were not halted, he would freeze the personal bank  
accounts of the Presidium members presently in Swiss banks.

Moscow (Tass): Army Moscow has been ordered to move to Siberia  
to pacify Fascist war prisoners from the fallen Empire.

Some players have voiced concern over my statement last time that I  
may have to turn BARAD-DUR over to someone else in a couple of months.  
This is not due to lack of interest or will to continue; I love this.  
If it happens, it will be because I was not satisfied with the job  
security offered in the teaching positions offered me and it will mean  
I will accept the US Air Force's offer to become a base education or  
Personnel officer in the USAFR. The latter would mean 3 months of OTS,  
& I would have to drop outside activities until I got my commission in  
Oct. More on this when I know what I'm going to do,

#### PROPAGANDA:

Move down! Move down! Clean cup! Clean Cup! Italy is  
going to Invade CANADA!

Oyzantium-an-Dem-Rhein: Sultan Abu Den Stegosaurus-  
Mbabbib today told the Oritish to "roll your entire foreign  
policy in a little ball" and cram same in the nearest recept-  
acle." He also announced his entire military policy through  
1927, but the microphone had given out and nobbdy heard what  
was said.

Bhagibhreeches, Dutch Guiana, Dec. 31: The Dutch Ad-  
miralty confirmed today that the Dutch windjammer, Fliegende  
Hollander, with a lubber crew and a captain that can't count  
the masts, surprised and "keel-hauled" the Oritish West Indies  
squadron off the crown colony of Jamaica, in face of overwhelm-  
ing Dutch superiority the Royal Jamaica Cigar Works capitulated.  
Stadtholder Van Diggert said that "Dutch diplomats incensed  
over the recent British seizure of the Netherlands East Indies  
(that about the Germans controlling Batavia and the 'outer is-  
lands' was just some rot Huffleley had spread around), entered  
the governor's mansion, and with broadsides of lethal schimmel-  
pennicks, the Dutch diplomats overwhelmed their British oppo-  
nents in the smoke-filled rooms and won the negotiations. When  
the defeated British Admiral, Sir Loyal Hawk, learned that the  
Dutch had been given controlling interest in the Royal Jamaica  
Cigar works, he is reported to have said: Olinkin' brine-bungled  
salt pickled, salt-kippered luck!" For one of the King's men  
that was astonishingly salty language.

FOR MORE ON THE MATTER TURN THE PAGE.

London, April 20<sup>m</sup> 1903 (Reuters): Sir Alfred Huffley announced today in Parliament that the South American continent had come entirely under British control. "Britain truly rules the world," Sir Alfred said, "Most of the Americas, most of Africa, half of Asia, all -- all ours! This is truly Britain's finest hour and so it shall ever be called, even if the Empire lasts a thousand years."

On other matters the P.M. said that British casualty rates in Europe, while heavy, were not as heavy as expected and not as heavy as any other power's. On the Italian question, he said that the Ambassador in Rome had restored peace.

Belfast, April 30, 1903: The pirate of the North Atlantic was sunk today by HMS Conquest, a fast battleship. The raider was an American privateer captained by some nut calling himself J.P. Jones.

Capetown, April 30, 1903: A young correspondent by the name of Churchill has been requested to leave the country for making insulting remarks about the Boers.

London, May 1, 1903: A Socialist-inspired worker's riot took place in many industrial cities today resulting in the destruction of several factories and the death of at least 2000 workers and police. The Socialist Party has been outlawed and its leaders arrested for treason.

Kiel: Germany has boycotted the French and English in protest to crimes on the high seas.

London: Students threw eggs and shouted protests against Prime Minister Huffley's unjust war on Germany.

FLOORING IN HOLLAND REPORTED. BRITISH TO BE WASHED OUT OF HAIR.

=====

On May 13 and 14th at the Diplomat Hotel in Washington, D.C., there will be a conference of east coast SF fans, the Disclave. We hope to see many of you there.

If not there, then there will be a similar but larger conference at the Carrousel Inn, 8001 Reading Road, in Cincinnati, Ohio on June 24, 25, & 26th. The Baltimore-DC players will be out & we hope, again, to see many of you there. Baltimore in '67 will throw a party.

San Diego hosts the Westercon this year on July 4 weekend; this gala programmed affair will have many diplomaniacs; Westercon games are already being planned; it is probable that Owings, Jacks, Von Metzke, and others from the N3F Postal games will attend.
